

RIFAH®

**Chamber Of Commerce
And Industry**

TOGETHER FOR SUSTAINABLE FUTURE

About RIFAH

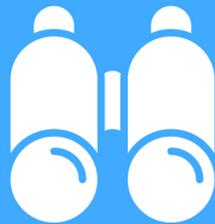

RIFAH Chamber Of Commerce And Industry is a Non Governmental Organization promoting the growth of businesses with special focus on ethical trade and sustainable development. RIFAH Chamber of Commerce and Industry is a forward-thinking committed to fostering economic growth and business excellence across India. Established with the vision to empower entrepreneurs, SMEs, and business communities, RIFAH serves as a catalyst for growth by offering a platform that promotes collaboration, innovation, and skill development.

Our Mission

Provides a robust platform network that facilitates valuable partnerships, business expansion, and investment-ready ventures for SME's in India.

Our Vision

Adding values to the nation's resources and promoting ethical business practices aims to contribute to the nation's interest-free GDP.

Our Values

The core values that would be upheld are honesty and integrity

Our Strength

RIFAH is a growing chamber of commerce in India serving commercial organizations. It is specially working for uplifting SME's of minorities, socially oppressed classes & women empowerment. RIFAH encourages businesses to not only aim for financial success but also adhere to principles that promote fairness, justice, and social responsibility.
